TIE BREAKER - If two teams are tied with identical records, the winner is the team that won the game when the two teams played. If the teams split their games, the team that allowed the fewest runs during the entire season will be declared the winner. If the teams still remain tied, the team scoring the most runs during the season will be declared the winner. If a tie still remains, the team that allowed the fewest runs when they played each other will be declared the winner.
